

Attention Eden Township Residents: Car Seat Check Event Hosted by Safe Kids Lancaster County at Quarryville Fire Department!

We're excited to announce an upcoming event that's dedicated to keeping our little ones safe on the road. Join us for a Car Seat Check Event at the Quarryville Fire Department in April, hosted by Safe Kids Lancaster County.

Date, Time & Location:

The event will take place on April 25, 2024, from 10:00am to 1:00pm at the Quarryville Fire Department. Bring your car and your child's car seat for a complimentary inspection by certified technicians. Ensuring your child's car seat is properly installed is crucial for their safety, and our experts will be on hand to provide personalized guidance and tips.

What to Expect:

During the Car Seat Check Event, you'll have the opportunity to:

- Have your child's car seat inspected for proper installation.
- Receive guidance on choosing the right car seat for your child's age, weight, and height.
- Learn how to correctly install and use your child's car seat to maximize safety.
- Get answers to any questions you may have about child passenger safety.

Why It Matters:

Motor vehicle crashes are a leading cause of death and injury for children. However, many of these tragedies can be prevented by using the appropriate car seat correctly. By attending this event, you'll be taking an important step toward protecting your child on the road.

How to Participate:

Participation in the Car Seat Check Event is free and open to all Eden Township residents. Simply mark your calendar and plan to visit the Quarryville Fire Department on the designated date. Don't forget to bring your child's car seat and vehicle!

Stay Informed:

For more information and updates leading up to the event, keep an eye out for flyers around town and follow the Quarryville Fire Department and Safe Kids Lancaster County on social media.

We hope to see you there as we work together to ensure the safety of our youngest passengers.
